Vice Mayor Odell Shelton opened and adjourned the meeting to August 15, 2005 in memory of Mayor Tom Cooke. He announced a memorial service is planned at River Lodge and details will be made available later. He requested we keep his wife Cynthia and family in our thoughts and prayers.

Councilman Berti said you can't put into words what Mayor Tom Cooke was to the City of Fortuna, that he was the Rock of Gibraltar.

Councilwoman August said that although they did not always agree, he was the glue that kept this City Council together.

Councilman Dean Glaser said he was a role model and put 100% into participation.

The meeting adjourned at 7:06PM to the next regularly scheduled meeting on August 15th.
